Thank you for your interest in attending this year's GeoAlberta Conference. Learn, Share & Network is the theme this year and the Alberta Geomatics Group (AGG) and the Urban and Regional Information Systems Association (URISA) want you to be a part of it!

Both organizations have agreed to sponsor the registration fee of five students (10 total) to help with the costs associated with attending. This sponsorship includes full registration, attendance to both conference socials and opportunities to connect with members of the Geomatics Community. Costs associated with travel, lodging and meals other than those included in the conference are the responsibility of the student.
