

Day 1 - November 13					
	West Foyer	Tuscany (ballroom)	Marseille	Savona	Palermo
8:00-11:45	Registration		Milsoft Utility Solutions Workshop: Explaining and Understanding the Milsoft E&O SystemMilsoft	Pictometry Workshop: How Likely Are You to Survive the Zombie Apocalypse Pictometry	Safe Software Workshop: Computer Vision for Geospatial DataSafe Software
12: 00-1:15	Lunch, Conference Opening and greeting from the City of Red Deer and Keynote: Leading with Greatness Presenter: Dr. Jody Carrington (Ballroom)				
1:15-1:30	Travel Time				
			Track 1	Track 2	Track 3
1:30-2:15	Registration	Spkr 26	Policing the 106th Grey Cup: How the Edmonton Police Service Utilized ArcGIS Online for Event Management Presenter: Joann Fox	STAC, ZARR, COG, K8S and Data Cubes: The brave new world of satellite EO analytics in the cloud Presenter: Jason Suwala	Maintaining Infrastructure in a Public Works Environment Using Mobile-GIS Presenter: Grant Howard
2:15-2:30	Travel Time				
2:30-3:15	Registration	It Ain't Heavy, It's Just Data Presenter: Brad Ashley	Integrating SaaS-based AI & Digital Mapping with Traditional Emergency Response Planning (ERP) Techniques Presenter: Jonathon McIntyre	The Power of Google Earth Engine for Habitat Modelling at fRI Research Presenter: Dan Wismer	Integrating AlbertaOneCall and Cityworks using Cityworks API and FME Server Presenter: Bhanu Vedula
3:15-3:45	Coffee Break				
3:45-4:30	Registration	Spkr 27	Online Mapping Tool to Assist in Renewable-Energy Siting Presenters: Alex Onojeghuo and Bree Jones	Five steps to a better geospatial strategy Presenter: Matthew Lewin	Using Open Source Tools to Bring Geospatial Data into Daily Operations Presenter: Tyler Pubben

4:30	Social - GIS Night at Bellini's				
	Day 2 - November 14				
	West Foyer	Tuscany (ballroom)	Marseille	Savona	Palermo
7:30 - 8:30	Registration				
8:30 - 9:45	Breakfast and Keynote: GIS is facing an emergency with NG 9-1-1 and Alex Miller has a map. Presenter: Alex Miller, President, Esri Canada (Ballroom)				
9:45 - 10:15	Coffee Break				
			Track 1	Track 2	Track 3
10:15-11:00	Registration	AMDSP: Getting Ready for NG9-1-1 Presenters: Bryce Surina, Don Kitchener	Emergency Response Management: A Guide to App Development using ArcGIS Online, Operations Dashboard and Quick Capture Presenters: Alyson Birce, Sydney Thomson, Allen Yip	Geomatics and the Modern Farm: The Olds College Smart Farm Story Presenters: Dr. Joy Agnew, Bob Hoffos, George Gaeke	Automated CAD Validation Using FME Presenter: Nicholus Ranicar
11:00-11:15	Travel Time				
11:15-12:00	Registration	Spkr 28	Medicine Hat's New GIS Framework: The First Year Presenter: Nigel Forster	How to develop automated and streamlined data processes Presenter: Lesley MacKenzie	Managing Gravel with GIS Presenter: Rob McCulley
12:00-1:15	Lunch and Keynote: Unstoppable GeoAlberta: mental health...mental wealth. Presenter: Stuart Ellis-Myers (Ballroom)				
1:15-1:30	Travel Time				
1:30-2:15	Registration	Jedi Level Communication Mastery Presenter: Stuart Ellis-Myers	How to "Sell" GIS Projects to Senior Management Presenter: Roger Grant	The Journey to Open Data Presenter: Sarah McDonald	Utilization of Mobile GIS for Water Utilities Presenter: Andrew Wolff
2:15-2:45	Coffee Break				

2:45-3:30	Registration	Alberta Data Partnerships: where we are and next steps Presenter: Erik Holmlund	Visualizing proprietary and public real estate data in real time for a better home buying and selling experience Presenters : Matthew Kallumadil, Greg Pynn	Assessment of Available Sight Distance and Identification of Collision Causes on Highways using Remote Sensing Technology Presenter: Amr Shalkamy	Digital Transformation of Weed Inspections or How I learned to configure Survey123 Presenter: Kristen Milburn
3:30-3:45	Travel Time				
3:45-4:15	Conference Closing: Jonathan Neufeld, TECTERRA
